"FILMFORMS Hederspris. 1995 Antonie Frank

"Antonie Frank har arbetat med videomediet som konstnär sedan lång tid. Hon har medverkat i ett stort antal utställningar, performances och framträdanden i Sverige och utomlands sedan 1980-talets början.

Antonie Frank arbetar i sina verk fritt med videons konstnärliga möjligheter, inspirerad av t.ex måleri och dans. Hon har en naturlig blick och känsla för den elektroniska bildens form och sinnliga dynamik. Hennes senaste verk – She is – från 1995 är ett enastående exempel på denna ovanliga och mycket personliga ton.

Stiftelsen Filmforms jury: Hanserik Hjertén, Lennart Johansson, Arne Lindgren, Henrik Orrje, Claes Söderquis"
